Behind Blue Eyes

```
Em                    G              D Dsus4 D
No one knows what it's like to be the bad man,
          C                 A
to be the sad man, behind blue eyes
Em                    G          D
No one knows what it's like to be hated,
      C                  A
to be fated, to telling only lies

        C      D               G            C          D        E Esus4 E
But my dreams, they aren't as empty, as my conscience seems to be
       Bm          C                  D                      A
I have hours, only lonely, my love is vengance that's never free

Em                     G                 D  Dsus4 D
No one knows what it's like to feel these feelings,
       C               A
like I do, and I blame you
Em                   G             D
No one bites back as hard on their anger,
           C                     A
none of my pain and woe can show through

        C      D               G            C          D        E Esus4 E
But my dreams, they aren't as empty, as my conscience seems to be
       Bm          C                  D                      A
I have hours, only lonely, my love is vengance that's never free

Em                    G              D Dsus4 D
No one knows what it's like to be the bad man,
              C         A
to be the sad man, behind blue eyes
