

Going tot the run

Em C G 2 x

I could bet on new years eve he call me up at night

From the other side of the world Ed was always there allright

Ed's got the looks of a moviestar Eds got the smile of a prince

He ride a bike instead of a car I wanna be his friend STOP

Dancing in the living room with a lady so nice

Like the child with the wisdom tooth He's just a friend of mine

Ed's got the rings and the collars Eds got the wind in his hair

He goes a riding with the brothers he got a fist in the air

Going to the run the run angel

Going to the run the run angel

Well, heaven and hell came together that night

Only for you this time

Going to the run forever angel

On summer at the festival holding on real tight

On the back of a harley you took me for a ride in the sky

Ed's got the looks of a winner Ed's got the smile of a prince

He ride a bike instead of a car I always be his friend STOP
