

## I am sailing

**C**                    **Am**                    **F**                    **C**  
I am sailing, I am sailing, home again, 'cross the sea.

**D7**                    **Am**                    **Dm**                    **C**    **G**  
I am sailing stormy waters, to be near you, to be free.

**C**                    **Am**                    **F**                    **C**  
I am flying, I am flying, like a bird, 'cross the sky.

**D7**                    **Am**                    **Dm**                    **C**    **G**  
I am flying, passing high clouds, to be near you, to be free.

**C**                    **Am**                    **F**                    **C**  
Can you hear me, can you hear me, through the dark night, far away?

**D7**                    **Am**                    **Dm**                    **C**    **G**  
I am dying, forever crying to be with you; who can say?

**C**                    **Am**                    **F**                    **C**  
Can you hear me, can you hear me, through the dark night far away?

**D7**                    **Am**                    **Dm**                    **C**    **G**  
I am dying, forever crying to be with you; who can say?

**C**                    **Am**                    **F**                    **C**  
We are sailing, we are sailing, home again, 'cross the sea.

**D7**                    **Am**                    **Dm**                    **C**  
We are sailing stormy waters, to be near you, to be free.

**G**                    **Dm**                    **C**  
Oh Lord, to be near you, to be free.

**G**                    **Dm**                    **C**  
Oh my Lord, to be near you, to be free.

**G**                    **Dm**                    **C**  
Oh my Lord, to be near you, to be free.

**G**  
Oh Lord.
